

## **JOB ANNOUNCEMENT**

### **Maintenance Technician Apprentice Starting Salary: \$2932 per month**

This is a rare entry-level opportunity to build a stable, rewarding career in the environmental field, working in state-of-the-art wastewater treatment facilities. Our three-year, state certified Apprenticeship Program provides comprehensive on-the-job training to learn to perform skilled Maintenance Technician work which includes installing, repairing, and maintaining equipment within the LOTT Alliance wastewater treatment and water reclamation system. We are seeking motivated and energetic individuals who are interested in joining a dynamic organization, developing strong technical skills, and are committed to continuous learning.

The successful candidate will gain and build the skills required to independently:

- Participate in and support the LOTT Alliance Strategic Asset Management Program;
- Diagnose mechanical operating problems of pumps, hydraulic, pneumatic, and other equipment;
- Plan and implement corrective action;
- Repair, rebuild, install, and remove equipment;
- Perform a variety of mechanical, pipe fitting, and structural repairs;
- Fabricate new parts for existing equipment;
- Complete various welding projects; and
- Design, layout, and install new equipment to ensure facilities remain operational.

In addition to assigned duties, the Maintenance Technician Apprentice is required to enter into an apprenticeship contract, which requires a minimum of 432 hours of related coursework. The successful candidate will also be required to make a service commitment to the LOTT Alliance prior to entering the Apprenticeship Program.

**Qualifications:** Applicants must be at least 18 years of age, have a high school diploma or GED, and possess a valid Washington State Driver's License. To be considered for an interview, applicants will be required to complete an aptitude test on September 9, 2006.
